## Julian Assange 'sex talk'

Sex ... Julian Assange

WIKILEAKS founder Julian Assange told a woman he "preferred virgins" after they had sex, a court heard yesterday.

Assange, 40, also shocked her by saying he wanted to make her pregnant, it was alleged.

The museum worker claimed: "He said things, like he wanted to get women pregnant. He said he preferred virgins because it meant he would be the first to impregnate them."

The woman — known only as SW — woke to find Australian Assange having unprotected sex with her, the High Court heard.

They are said to have had sex three times the previous night — but SW had insisted it was a condition that they used protection.

**X** Assange is on bail as he appeals against a ruling to have him extradited to Sweden to face allegations of raping SW and molesting another woman called AA.

He ripped off press secretary AA's clothes, broke her necklace and lay on top of her holding her arms before they had sex, the court was told.

Assange says both women consented to sex and claims the extradition bid is politically motivated. The hearing continues today.
