Don't know if that is a rule
7 figures not to open the month
be increased or vice
part of all costs
- indirectly costs 200k we have
we must be break

advised not to carry out at all any
more - I might that be generous

I want to carry on because all cases
become a part of why the company
- no way or another that is my best

was the she now stays - [unclear]
