19/1/11 17.21	AS / JH	Darling referred itv sky to the cc in may 2007.
19/1/11 17.21	JH / AS	Thx
19/1/11 17.21	AS / JH	And it was darling that ofcom reported to as well.
19/1/11 17.21	JH / AS	Great
25/2/11 10.04	AS / JH	Looking like start of next week before we get reports rather than today.
25/2/11 10.04	JH / AS	Ok thx
1/3/11 18.28	AS / JH	Reports expected at some point tonight. Looks like a proper update tomorrow morning once we've read them.
1/3/11 19.10	JH / AS	Ok great please let me know when they arrive
4/3/11 23.17	JH / AS	Happy Birthday!! Press not too bad today, I was called everything from a vicar to contestant on Ski Sunday :-)) thanks anyway for ur utterly outstanding help. Have a great weekend
29/6/11 19.39	AS / JH	Were you happy with news Corp docs.
29/6/11 19.39	JH / AS	Yup
30/6/11 15.53	AS / JH	Chap from Enders analysis just told BBC that this was the only logical outcome. And that competiton commission wouldn't have done anything different. Nice third party endorsement.
30/6/11 15.53	JH / AS	Nice!
5/7/11 12.05	AS / JH	Vince was fine. Stuck completely to the line. Sue concerned we don't stick up for news so thinks sticking to need for police inquiry to finish is strongest line.
5/7/11 15.48	AS / JH	You should be at the debate even if not leading it. Can't get hold of home office
5/7/11 16.15	JH / AS	Agree
6/7/11 11.38	AS / JH	Pm announcing an inquiry after police investigations at pmqs.
6/7/11 11.38	JH / AS	Good news I think
8/7/11 08.50	AS / JH	Has anyone let you know what pm is going to say?
8/7/11 08.50	JH / AS	No
8/7/11	AS / JH	PCC has failed. Needs reform. Must be independent of press and

09.17		government. Inquiry will look at how to reform it.
11/7/11 18.00	AS / JH	Well done! Took one for the team there and handled it really well. Do you still want to go ahead with the briefing at 7pm?
11/7/11 18.00	JH / AS	Been cancelled thx for ur help. Not sure how good I was but felt ok at Despatch Box! Any news on broadband?
11/7/11 18.00	AS / JH	You did exacty what was needed. Fought back when they got political but were calm and considered otherwise. View from journos seems to be you were dumped on by no 10! Give me a call on broadband when you are free.
11/7/11 19.58	AS / JH	Brilliant sketch by grimson on telegraph online
11/7/11 19.58	JH / AS	Love it!
12/7/11 19.11	AS / JH	Some lib dems including don may sign labours motion tomorrow. Can't see that technically making a difference but wanted to flag it.
12/7/11 19.39	JH / AS	Thx
13/7/11 13.35	JH / AS	Has letter gone to cc?
13/7/11 13.35	AS / JH	It's about to.
13/7/11 14.14	AS / JH	News Corp withdrawing their bid according to sky news.
13/7/11 17.41	JH / AS	Can u text me what Dacre said Brown changed and when?
13/7/11 17.41	JH / AS	Urgently!
13/7/11 17.41	AS / JH	According to a Paul dacre speech brown changed the criminal justice and immigration bill at his request so that journalists wouldn't be imprisoned for stealing peoples private information. Would love to know what brown says about this!
13/7/11 17.41	AS / JH	Emailed you as it's long
13/7/11 17.41	AS / JH	2008 society of editors speech The fourth issue we raised with Gordon Brown was a truly frightening amendment to the Data Protection Act, winding its way through Parliament, under which journalists faced being jailed for two years for illicitly obtaining personal information such as exdirectory telephone numbers or an individual's gas bills or medical records. This legislation would have made Britain the only country in the free world to jail journalists and could have had a considerable chilling effect on good journalism. The Prime Minister – I don't think it is breaking confidences to reveal – was hugely sympathetic to the industry's case and promised to do what he could to help. Over the coming months and battles ahead, Mr Brown was totally true to his word. Whatever our individual newspapers' views are of the Prime Minister – and the Mail is pretty tough on him - we should, as an industry, acknowledge that, to date, he has been a great friend of press freedom."

For Distribution to CPs

15/7/11 10.01	AS / JH	Rebecca brooks has resigned.
15/7/11 10.01	JH / AS	About bloody time!
18/7/11 13.57	JH / AS	Cld u draft note for me to send to PM with options for him to announce on Wed? Thx
18/7/11 13.57	AS / JH	On media plurality and cross media stuff?
18/7/11 14.18	JH / AS	Yes
19/7/11 09.16	AS / JH	Good Jonathan Powell article in guardian today. As well as confirming what he put in his book he raises an interesting point about the web. We need to be careful that any new press regulatory system isn't instantly made irrelevant if a paper goes online only.
19/7/11 15.01	AS / JH	Who runs this company?
20/7/11 13.13	AS / JH	If this keeps up it looks like you'll need the partisan speech! On the bskyb meetings seems the most sensible answer is that labour are missing point. The decision was for you alone. Also worth getting our mps to ask miliband whether he discussed the bid with either news Corp or any other media companies.
20/7/11 15.21	AS / JH	
20/7/11 17.19	AS / JH	Sure you are on to this but I think a short robust section about pm's discussions on bskyb are irrelevant. Your decision alone. This is what quite a few articles are focusing on.
20/7/11 19.03	AS / JH	Milibands meeting with brooks was just before he became leader. That's their excuse for not publishing it.
20/7/11 19.03	AS / JH	Well done! That should have cheered everyone up.
20/7/11 19.03	JH / AS	Think pm approved!

22/12/10 20.36	JH / SB	Daily Tel running something on my mtg with James M at DCMS earlier in year. Cld u check they know I met all media owners etc.? pretty sure Sky bid not discussed
22/12/10 20.36	SB / JH	Do you know who is writing it?
22/12/10 21.39	JH / SB	Really sorry deleted msg. I'm sure we'll be fine, they hardly have credibility reporting this issue!
22/12/10 21.39	SB / JH	Exactly! Have spoken to the guardian too who have run the story and know from an foi that the meeting wasn't minuted. Just said you had lots of coffees with people when you first started and due to their nature they weren't minuted
17/2/11 14.17	SB / JH	Hi had a think about andy drink and think it might be best to wait till news corp process is over. He's so closely linked to them that if you were seen it wouldn't look great. I'm sure he would understand and it should only be a week or so
17/2/11 14.55	JH / SB	Ok please tell him and arrange for a few weeks time thx
3/3/11 11.13	SB / JH	I think we should turn down ft event. There are protesters outside it. Shots would look awful on broadcast and time would be better spent speaking to newspaper editors. [redacted] as spoken to them provisionally and they were fine about it
4/3/11 07.09	JH / SB	Overall papers cld have been a lot worse. I range from being a curate to being on Ski Sunday! Thank you, u were the best I have ever seen u, truly outstanding. Don't get poached by No 10!
4/3/11 07.09	SB / JH	Thank you! I'm so annoyed though. You made the right decision but no one will say that because of their own vested interests. And they talk about the power of the murdochs!
23/6/11 11.13	SB / JH	Warning! Please don't take any calls from vince over the next few days. Will explain all when we speak but he is trying to be very sneaky over news corp
23/6/11 16.12	JH / SB	Ok understood!
9/7/11 10.11	SB / JH	Obviously i don't think you would but don't think you should have any phone or text contact with any of the murdochs at the moment or indeed anyone at news corp/ news int as we will be asked by journos
9/7/11 12.46	JH / SB	Agree!

13/7/11 09.07	JH / EL	Basically legal advice was only way Govt can support motion is if I have nothing to do with it
13/7/11 09.07	JH / EL	Also do we want to put up one person who is unable to support motion?
