*Dear Mr. Sacranie,*

I thought you might like a complimentary copy of the new Editors' Codebook, which has been produced to promote understanding of the Code of Practice and the PCC's interpretation of it. I hope it will become a valuable resource for editors and journalists, as well as for those such as lawyers and MPs who use the Commission's services on behalf of others.

The Codebook was one of the eight initiatives designed to improve self-regulation that I announced shortly after I was appointed Chairman of the PCC. The others have all been implemented.

Do let me know if you would like more information.

With kind regards.

...  
*Dear John,*

I thought you might like a complimentary copy of the new Editors' Codebook, which has been produced to promote understanding of the Code of Practice and the PCC's interpretation of it. I hope it will become a valuable resource for editors and journalists, as well as for those such as lawyers and MPs who use the Commission's services on behalf of others.

The Codebook was one of the eight initiatives designed to improve self-regulation that I announced shortly after I was appointed Chairman of the PCC. The others have all been implemented.

Do let me know if you would like more information.

With kind regards.

*Yours ever,  
Christopher*
