Hello folks

Further to my intelligence that DCMS was taking a sceptical line on our case, I have pressed for them to receive a briefing from us on the issues at stake. They have agreed to this.

This can be done at working level - ie team copied here - however, I would suggest we take Bertrand with us to pack some concrete behind it.

We are invited to name our preferred time for this. I suggest we do it next week - who wants to do it and when?

Regards

Jon
