Ian,
Please find below the blank invoice regarding last week's [redacted] splash.
It has both my bank details and my VAT number.

Apologies for the delay, I was in [redacted] for the week with our client [redacted]
About whom I'm sure we could have an interesting conversation one day!

Best Wishes,
Neil

I'm actually sitting doing my accounts (that's my exciting Saturday afternoon!) so if you give me an indication of what you're going to credit me with I'd appreciate, Ian.

BTW, we talked about getting together to talk through ways we might possibly be able to work together - should I call you PA to fix a lunch or something?

Can you let me have her name and number when you have a moment?

Thanks,

And good luck for tomorrow!

Neil
